~~is food production. Peasants, aware of what it means to produce for~~
the people, give the extra for each task.

Argelio Gámez Lobaina from the CCS Niceto Pérez García from the Los Calderos community in the municipality of Imías, Guantánamo, who, taking into account the current transport situation, supports with his pack animals, the Shopping Center located in Jesús Lores, with the transfer of resources to this intricate part of the territory, especially if we take into account that the peasants need these materials for their daily work and in this way contribute to the feeding of the people.
